### **Counselors:**

All merit badge counselors are CTC staff, former students, Scouters or advisory board members.

### **Cost:**

Cost will be \$15.00 per scout for all day or \$5.00 per session and \$5.00 for parents who want lunch. (They too will receive a patch).

### **Lunch:**

Lunch will be provided. Vegetarian or special dietary lunches are the responsibility of the Scout and his parent or guardian.

### **Patches:**

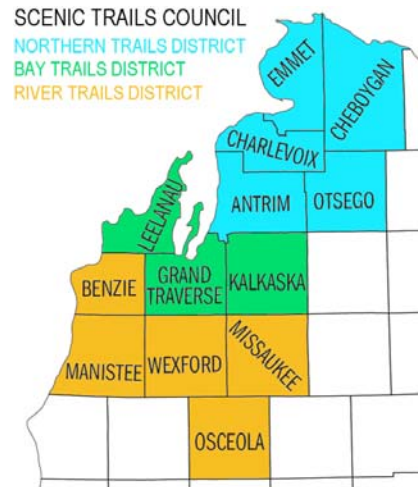

Each participant will receive an activity patch for the event.

### **Overview:**

- All boys age 11-17 are welcome to attend.
- Each scout will have the opportunity to work on three different merit badges. A scout will NOT be able to complete a merit badge on this day unless he has done some work on that badge prior to attending Merit Badge Tech 2011. A complete list of those requirements is online at <http://meritbadge.info/mbn/>.
- Blue Cards will be sent to the Scoutmasters after the event. **Scouts do not need to bring Blue Cards with them!**
- Early registration online is **mandatory** if a scout wants his first choice of merit badges. Scouts will be accepted even if they are **not pre-registered, but they may have a long wait in line, classes may be full and no food.**
- This day is intended to get a boy started on three merit badges while learning a little about CTC and its programs. It is recommended that scouts download, print and bring with them the merit badge worksheets from [www.usscouts.org](http://www.usscouts.org) for badges they wish to work on. **Fill out ahead of time anything that you can on the worksheet!**
