

Den Chief Training has been added to the list on the application!!

Merit Badge Tech 2009

Mission:

To foster the Career-Tech Center (CTC) and the Scenic Trails Council partnerships by assisting with merit badges that showcase CTC facilities and staff.

Vision:

To have CTC staff, students and Advisory Board members provide career and technical knowledge and training to Boy Scouts for future life preparation.

Time & Date:

8:00 AM to 3:30 PM on Saturday November 7, 2009.

Location:

TBAISD Career-Tech Center, 880 Parsons Road, Traverse City, MI 49686

Counselors:

All merit badge counselors are CTC staff, former students, Scouters or advisory board members.

Cost:

Cost will be \$10.00 per scout for all day or \$5.00 per session and \$5.00 for parents who want lunch. (They too will receive a patch).

Lunch:

Lunch will be provided. Vegetarian or special dietary lunches are the responsibility of the Scout and his parent or guardian.

Patches:

Each participant will receive a Merit Badge Tech patch.

Overview:

- All boys age 11-17 are welcome to attend.
- Each scout will have the opportunity to work on three different merit badges. A scout will NOT be able to complete a merit badge on this day unless he has done some work on that badge prior to attending Merit Badge Tech 2008. A complete list of those requirements is listed below.
- Each scout will be required to bring a blue card signed by his Scoutmaster. Blue cards will also be available and signed by a Scoutmaster if a scout cannot get into the class that he wants.
- Early registration is suggested so a scout can earn the merit badge he wants. If a class is full, our staff will find a vacancy for him. Scouts will be accepted even if they are not pre-registered.
- This day is intended to get a boy started on three merit badges while learning a little about CTC and its programs. It is recommended that scouts download, print and bring with them the merit badge worksheets from www.usscouts.org for badges they wish to work on.
