

**SCENIC TRAILS COUNCIL**  
**BAY TRAILS DISTRICT**  
**ROUNDTABLE CALANDER**  
**2007 – 2008**

We are looking forward to an informative year of roundtable's this year. Please read the outline for this year to see for your self. The only thing missing so far is **YOU!** We need new as well as experienced Scouters at our meetings to learn and share successes of how **we all can deliver a better program to our Scouts.** At the end of the year, the units with 80% or more attendance will be eligible for a drawing to win a hand carved staff and bolo tie.
